Hunting the Buffalo

Traditional
Arr. by Pete Showman

(To repeat
tune)

Arranged based on ideas from the Portland Collection, various Web performances (with many minor variations) and how I hear and play it. Some renditions swap the phrase in measures 1-2 with the phrase in measures 3-4 but I prefer it this way. In one nice YouTube performance (at www.youtube.com/watch?v=FRz0fJFnJiY, starting at about 1:33, fiddle at 2:08), the [A] and [B] parts are reversed (low part first), but the order shown here seems to be usual.
