

Key: A Mixolydian (+Dorian?)
♩ = 90

Sandy Boys

Traditional old-time
Arr. Pete Showman 2014

Drone freely on A, etc., as suggested below.

Arranged and typeset in ABC by Pete Showman; rev. 1: 8/9/2014.

** Some play it as straight Mixolydian (G-naturals and all C#s) but in a few places I like to mix in C-naturals (Dorian mode), or maybe C "halfway-sharps" (slides that go past C-natural, but may not make it to C#), or slow slides to C# that hang somewhere near C-natural for a bit -- and then contrast those with the accented C#s in measures 7, 11, 12 and 15.
