Brought to our Monday-night jam by Larry Joba. Mary Alice Bernal writes: "As learned by ear from Alan O'Bryant. American reel [*or march*], southwestern Pennsylvania. D Major. Standard tuning. AABB. According to Andrew Kuntz's great website, *The Fiddler's Companion*, www.ibiblio.org/fiddlers/index.html [*note: this site is moving to www.tunearch.org*], Samuel Bayard (Hill Country Tunes), 'stated that Old Piss was one of the best-known tunes among southwest Pennsylvania fifers.' Source for [*Bernal's*] notated version: Alan O'Bryant (mandolin and banjo player based in Nashville, TN) from playing at local OT jam sessions."
